- leading or helping to lead people to a place of wholeness
- conducting themselves with integrity
- comforting end of life issues

- being sensitive to staff and their needs
- providing individualized Bible studies or worship services

## Program

DBS, in partnership with the Arizona Region of the Christian Church (Disciples of Christ), now offers Glendale area chaplaincy services to the residents of Manistee Manor and the greater Glendale community. The DBS Chaplaincy care program in Glendale is staffed by an ordained minister who provides pastoral care, weekly worship services and Bible study tailored to the needs of the individuals. Individuals also have the option of requesting personal visits by the Chaplain. The Chaplain is available to provide pastoral care for persons of different religious needs or for those who profess no faith and is on call 24 hours a day.

Individuals requesting DBS Chaplaincy care may be assured that...

- they will be treated with compassion and sensitivity
- they will be allowed to express their fears, anxieties, hurts and anger without judgement
- any information shared will be held in confidence
- they will never be charged for the services
- the Chaplain is trained to recognize when additional help is needed
